

Dear KHS Orchestra Families & Friends,

Our Katy High School (KHS) Orchestras is comprised of four orchestras of over 100 exceptionally talented students who play string instruments. Each year, KHS Orchestras participate in concerts, competitions, social events, fundraisers, and community outreach/service activities. In orchestra, our students become fluent in the language of music, and they use their skills and teamwork to communicate musical ideas to the audience.

To continue our program's success, we ask for your support. One way you can support us is by becoming a member of the Katy High School Orchestra Booster Association! With your help, we will continue to provide our students with an unparalleled musical education. **Your tax-deductible donation will help support many opportunities for our students**, including but not limited to:

- Assist financially struggling students with activity and maintenance fees
- Sheet Music, Professional Clinicians, Online Technology
- Instruments and Equipment
- Administration Fees
- Spring Trip, Student Socials and Year-End Banquet
- Orchestra Scholarships

KHS Orchestra not only provides our students with an enriching musical education, but it also helps our students develop responsibility, self-discipline, teamwork, and leadership skills—all while having fun!

Please be sure to visit our website at khsorchestras.org. Thank you for your support of our organization and helping our students' dreams come true!

Sincerely,

Ms. MaryEvelyn Thwaites
Director of Orchestras
