Cost: Disney has not released its school pricing for Spring 2022 yet. The estimated cost of the trip is \$1,000 to \$1,200. Last time in 2018, the all-inclusive pricing for students was \$1,100.

This price includes trip insurance for catastrophic events.

The Letter of Commitment and payments may be turned in to the KHOBA safe (located in orchestra room), by mail (Katy High School, attn: Mary Evelyn Thwaites: Orchestra, 6331 Hwy Blvd, Katy, TX 77494).

****This is not the final contract—this is just a commitment and reserves your seat on the trip. We will have official contracts with payment dates and all details in August. The final trip pricing can be paid in payments with 2 or three payments in the fall, and one final payment in the spring. We will do some fundraising, as well.**

This commitment form shows an agreement to participate in the spring trip in March of 2022 and reserves your seat on the trip. **I agree that if I cancel, I will not receive the non-refundable \$100 back.**
